Dear Parent,

The purpose of this mailout is to inform you of the Roland TSA contest dates and to gain your permission for your child to attend. Additionally, we will need a medical release form on your child. Please visit our website for information about contests, events, results, and even view pictures of previous contest. Visit us at www.RolandTSA.org.

Throughout the year, students will be participating in competitive events and need to bring their finished projects with them to the conference. If your child wishes to stay after school in the upcoming days before contest to work on their projects, please make arrangements to do so. Students that arrive on contest day without finished projects will not be allowed on the trip. Additionally, students must be academically eligible to attend.
