I acknowledge that by signing my name I have truthfully answered the above information to the best of my ability. I also understand that by simply completing the application process I am in no way guaranteed or granted the privilege to attend the Oklahoma State TSA Conference. I understand that my advisor will use this application process as an instrument in selecting participants for the state contest and all Roland TSA members may apply. Finally, I understand that if I do not have my events completed, even after being selected, I may be dismissed from attending the conference.
